

## Claims Information Sheet 1:

### *How universities can claim for 'Travel Costs' and 'Costs of Stay' from the European Union*

#### **Background**

- Each work package (WP) has money for Myanmar and European staff members to travel to MuEuCAP workshops in different universities
- The European Union will pay 'travel costs' and 'costs of stay' for this travel up to but not exceeding the limit listed in the budget
- These 'travel costs' and 'costs of stay' are not the actual costs but a theoretical cost as determined by the EU – normally these theoretical costs are more than the real costs
- If in doubt, the Project Coordinator, Dr Swen Renner can advise individual universities on the total of each WP fund for travel costs; he will also advise on how and where this money is to be spent
- **Claim forms are completed by the individual staff members but the claim itself is made by the university.**

#### **For the university to be eligible to claim money, the staff member must:**

- be employed by one of the Myanmar or European universities in the MuEuCAP project
- have completed, signed (and had countersigned) a Joint Declaration Form (see example in Appendix 1 below) and this must cover the date of the workshop
- have attended a workshop in a university that is NOT their own (*so for example, you cannot claim travel costs or costs of stay if you are Myeik University staff member attending a workshop in Myeik University*)
- have signed the attendance list for each day that they are claiming
- have completed an *Annex III form - 'Individual Travel Report for travel costs and costs of stay'* (see example in Appendix 2 below).

#### **For the university to claim the money, it must:**

- provide the project coordinator, Dr Swen Renner, at a convenient moment (at the end of a workshop, for example) an *Annex III form ('Individual Travel Report for travel costs and costs of stay')* for each staff member who attended the workshop (except for those who work at the host university who cannot claim travel, since they have not travelled!). Each form must be fully completed, dated and signed by the staff member
- Dr Swen Renner will check the form and give the university permission to withdraw the money from the EU advance sent to that Myanmar university
- the university will withdraw the money based on what they are advised by Dr Swen Renner, which, in turn, is based on the 'theoretical costs' as determined by the European Union.
